Mr. Patrick Apodaca
Associate Counsel to the President
The White House
Washington, D. C. 20500

Dear Mr. Apodaca:

For the past three years the Central Intelligence Agency has promoted a program to employ more qualified Hispanic Americans. To improve our success in this undertaking, we have designated July 25-29, 1977 as "Hispanic Week" at the Agency. This will coincide with other Hispanic celebrations in the area. The ceremonies, art, photography, etc., that will be on display will inaugurate "Task Force Hispanic," a year-long drive to improve our recruiting efforts.

The principal ceremony will be held in our auditorium on Wednesday, July 27 at 3:00 p.m. We hope to have several prominent Hispanic Americans talk for 10 to 15 minutes each on the influence of some aspect of Hispanic culture on the development of the United States. Afterwards we will have a short tour of our Headquarters and a reception that will allow our guests to meet the Agency's managers and some of our Hispanic employees. We are also inviting others from our local community to participate in these activities.

We are pleased that you will be able to join us and some of your fellow Hispanic Americans on July 27th. We will be in contact with your office in the near future to coordinate the talks and arrange any administrative details. If you should require further information please contact [redacted] STAT

Yours sincerely,

Deputy Director of Central Intelligence *dm*

THROUGH : Director, Equal Employment Opportunity

FROM : Hispanic Program Coordinator

SUBJECT : Task Force Hispanic

1. To give renewed emphasis to CIA's desire to improve its position vis a vis the Hispanic minority, we have developed "Task Force Hispanic," which will begin a year of intense recruiting, informational programs within the Agency, and other events designed to educate Agency managers on the benefits of hiring Hispanics. Accordingly, we plan to inaugurate Task Force Hispanic with a week-long program to begin on 25 July. As planned, the kick-off would be a session in the auditorium where five or ~~six~~ ⁸ prominent Hispanic-Americans would speak for 10 or ~~15~~ ¹⁵ minutes each on the influence of Hispanic culture on the development of the United States.

90 min is too much

2. Among those being considered as possible speakers are Governor Jerry Apodaca of New Mexico, Governor (and former Ambassador) Raul Castro of Arizona, former Ambassador John Joseph Jova, Representative Herman Badillo of New York, Maurice Ferre, Mayor of Miami, the Puerto Rican Resident Commissioner Corrada del Rio, and several others. Following the auditorium presentation a cocktail party will be held in the executive dining room for the guests and the Agency's executives.

3. There will be a poster competition, ethnic food and music in the cafeteria and a number of different displays of art, pictures, etc., by our personnel and outsiders in the corridors of the main floor in Headquarters. We may invite high school and university groups to view the displays and/or attend the auditorium session.

4. We would hope that the DCI and DDCI would participate in the auditorium presentation and attend the subsequent cocktail party. We would also call on the DCI to sign the letters of invitation to the speakers.
